

WINDMILL COURT PETITION

Sovereign Housing Association's proposes to **evict the residents of Windmill Court from their homes**, without suitable alternative accommodation being available within the village that would allow them to retain family and/or personal ties.

The parish council has helped residents create a petition calling on the West Berkshire Council Executive to refuse any application from the Association to lift restrictive covenant(s) or other restrictions, the existence of which prevent eviction.

If you agree that covenants/restrictions should remain, please sign the petition *either* online <https://bit.ly/windmillcourt> (you'll need to register – choose a unique password) *or* on paper at the Baobab (9am-5.30pm Tues-Fri, 9am-1pm Sat.)

Petition closes 5 September.
