22nd November 2023

Dear Parents/Carers and Children,

You are warmly invited to join a **Christingle Service at St Saviour's Church, Mortimer West End, at 4pm on Christmas Eve**. These services are celebrations of light, hope and thanksgiving. Your donations help the Children's Society to raise much-needed funds to support children and young people growing up in very dark or difficult circumstances.

Please fill in the attached slip with the names and ages of all children wishing to attend the Christingle Service, including any who may be staying with you, and **return it to St. John's Church, Mortimer by Thursday 14th December or email to admin@mortimerbenefice.co.uk**. Booking enables our team to make a Christingle for every participant.

The Christingle Service includes carols, prayers and a short address. Pre-School Children collect their Christingle and return to their seats. Older children collect their Christingle, form a circle around the church and their candles are lit. Stewards will guide and supervise in church; parents/carers are asked to remain vigilant;

Paul Chaplin, Vicar, and the Discipleship Team

**Christingle Service at St Saviour's Church, Mortimer West End
Sunday 24th December at 4 pm**
