

## Petition Against Proposed 350-Home Development at West End Farm, Mortimer West End

Basingstoke & Deane Borough Council is considering including land at West End Farm, Mortimer West End for about 350 homes in its next Local Plan. Although this land lies within Hampshire, it sits immediately beside Mortimer and would in practice act as a large extension of the village, dwarf the existing Mortimer West End settlement and place extra pressure on local schools, GP and other services and facilities that serve West Berkshire residents.

We, the undersigned, strongly object to this proposal and call on BDBC to withdraw the site from its Local Plan Review.
